Competition services

The CMS Competition Practice Group has more than 150 competition lawyers in 33 cities in 27 countries, making it one of the largest competition teams in Europe. We can readily bolster our teams with competition specialists, ensuring your merger or cartel cases are adequately staffed at any time with experts knowing their law and your business.

Our widespread local presence – complemented by the CMS EU Law Office in Brussels – is unique in Europe. The unrivalled pan-European CMS Dawn Raid Response Team is a good example of what our coverage holds for our clients. Smooth and efficient handling of multinational mergers is another. Our strong local roots ensure that we can provide domestic expertise in your markets.

The scope of our presence is matched by the breadth of our expertise. While we do have an impressive track record of hundreds of merger control cases and regularly publish the highly acclaimed CMS Guide to Merger Control in Europe, our capability at CMS is not limited to transactional merger control. In line with our full service concept we provide our clients with real expertise in all fields of competition law at European Union and national levels.

CMS Legal Services EEIG (CMS EEIG) is a European Economic Interest Grouping that coordinates an organisation of independent law firms. CMS EEIG provides no client services. Such services are solely provided by CMS EEIG's member firms in their respective jurisdictions. CMS EEIG and each of its member firms are separate and legally distinct entities, and no such entity has any authority to bind any other. CMS EEIG and each member firm are liable only for their own acts or omissions and not those of each other. The brand name "CMS" and the term "firm" are used to refer to some or all of the member firms or their offices.
