

Risk, Resilience and Reputation

# Competition Law eLearning

Protect your staff and your business from anti-competitive conduct

## Course overview

This eLearning course is designed to raise your awareness of the competition law rules as well as reduce the risk of any possible infringements arising within your business. Through the use of practical scenarios and examples, the course allows you to clearly identify when competition law has been breached and how to correctly mitigate this risk.

## Audience

This course is suitable for all staff working within an organisation or on behalf of an organisation at any level.

### Objectives

- By the end of the course you will gain a clear understanding of:
  - The importance of competition law
  - How to prevent anti-competitive conduct or abusive practices
  - How to correctly deal with competitors, suppliers and customers
  - Competition law under the EU enforcement regime
  - Abuse of a company's dominant position.

### Features

- Customisable content to suit your brand
- Include your existing policies and procedures
- Interactive scenarios
- Fully mobile responsive design
- End of course multiple-choice quiz
- Translatable to suit your audience
